

Rochester Montessori School Tuition and Fees 2017-2018

Rochester Montessori School, located on a fifteen-acre campus, provides a complete Montessori education for children from toddlers through eighth grade. We offer the Internationale Baccalaureate Middle Years Program in grades six through eight. Our programs are further enhanced by classes in Spanish as well as instruction in music, art, and physical education. Children also participate in field experiences and service programs.

Application \$75

Admission to Rochester Montessori School begins with a tour of the school, a classroom observation, and submission of an admission application and the nonrefundable application fee.

Tuition

Tuition is paid in ten installments beginning in June and then for nine months, September through May respectively. Payments are collected through automatic withdrawal.

<i>Program</i>	<i>Tuition</i>
Half Day Children’s House and Toddler Programs	\$6,530/year
Full Day Children’s House and Toddler Programs	\$10,900/year
Elementary 1 and Elementary 2	\$10,900/year
Middle School	\$10,900/year

Multiple-Child Discounts. The School offers a \$500 discount for the third child and \$1,000 for each additional child. To receive this discount, families must have at least one child enrolled in the Elementary Program. An exception to this is granted in the case of triplets or more.

Security Deposit \$500

A one-time, non-transferable deposit is due when a child is enrolled into the School. The security deposit is returned when your child completes the school year. You may roll your security deposit over to the following school year if your child is continuing. Withdrawal of a child prior to the beginning of the school year or withdrawal of a child during the school year will result in forfeiture of the security deposit. Your security deposit will be returned, however, if the School recommends withdrawal of your child. Failure to pay the security deposit may result in loss of enrollment.

Family Activity Fee \$40

This yearly fee is due with the first tuition payment. These funds support annual family activities such as a school celebration, a multicultural event, and the year-end picnic.

Building & Grounds Fee \$480

The building fee is assessed per family to defer the costs associated with the building acquisition. The yearly, nonrefundable fee, is due with the second tuition payment.

Elementary 1 Class Fee \$100

Please note, there may be additional fees to support larger outings.

Elementary 2 Class Fee \$130

Please note, there may be additional fees to support larger outings (i.e., Eagle Bluff).
