

RMS COVID RESPONSE PLAN

Moving Forward Together

Prevention

- Screen for symptoms daily
- Stay home when sick
- Wash hands and sanitize often
- Stay up to date on vaccinations if your family decides to vaccinate
- Test when symptoms are present
- Join us in creating a supportive and welcoming environment where all families are encouraged to make the decision that are right for them

Protocol

- Report all positive COVID test results to RMS Admin by emailing covidreporting@rmschool.org
- Isolate positive cases: Stay home for at least 5 full days if positive for COVID-19 following [CDC Guidance](#)
- Wear a mask until the end of day 10

Response

- Families will receive a notification when their child has been exposed to a person who tests positive for COVID-19
- Quarantine is not required following an exposure
- Monitor for symptoms of COVID-19 and isolate and test if symptoms occur
- For more information on recommended guidance if exposed, visit the [CDC website](#).
